

WELCOME

to the fourth
issue of iMunch

Christmas is now a distant memory, and daffodils are showing us Spring is just around the corner.

As we are all looking forward to warmer days and lighter evenings we have lots more in store for you and your children.

Free School Meals

New Friday Take-away menu

and lots more

School Meals Price Increase

Staffordshire County Catering is committed to providing a balanced midday meal of high nutritional value to pupils at all its schools. However, increased food and fuel costs have had a significant impact on delivering the service.

£2.10

As a result the price of a school meal will rise to **£2.10** a day for middle schools from the 19th April, 2010, which represents a small increase of 10p.

All meals provided at Walton Priory are wholesome and freshly prepared in line with Government guidelines on nutritional value and satisfy the hungriest of young appetites.

The cost of a school meal still represents value for money and parents can have peace of mind from knowing their children are getting a healthy meal at school.

Two incredibly popular dishes which always see the plates wiped clean are the traditional roast and the Friday take-away. Both remain tops with Walton Priory children when served as part of the weekly option.

Thank you for your continued support for our catering team who are well and truly committed to ensuring that pupils are encouraged to choose healthier eating options within school and support school objectives to educate pupils in having healthier lifestyles.

IMPORTANT NEWS

Don't forget School Meals £2.10 from 19th April, 2010

Has your child a special dietary requirement or food allergy?

Please discuss with our Catering Supervisor who will be happy to plan and provide a school meal that meets your child's needs.
