Summer Fayre Sunday 7th June 2009

Thank you for your help in running a stall/activity for the Summer Fayre on Sunday, it is much appreciated. The Fayre will open at 2.00 p.m and finish at approximately 4.00 p.m. If you are running a stall/activity please arrive at school between 1.00 p.m and 1.30 p.m. because you will need time to set up.

Please remember you will need a float (i.e a supply of coinage) so you are able to give change to your customers. Please ensure you bring this float of money with you on Sunday.

We hope that the Summer Fayre will take place outside on the school grounds. If the weather is poor then the Fayre will take place in the gym/studio/dining corridor. Clearly any stall/activity involving water (!) will not be permitted inside the school building.

If you are running a stall/activity without your parents please ensure that you have their permission to attend and that you know the arrangements for getting home afterwards.

Once again many thanks for your help.

And the PSA Committee.
